Instructor, Chemistry (and other science discipline)

Location: West Coast University - Los Angeles Campus
Requisition #: WLA160
# of Openings: 1

Description

We are currently seeking an Instructor, Chemistry for our Los Angeles County Campus. This is an outstanding opportunity for a professional to join a growing university as we expand our academic programs in health care and related fields.

Job Summary: Under the general supervision of the Campus Academic Dean, delivers classroom instruction according to an approved course syllabus using accepted and effective teaching methods; develops daily lesson plans; advises and tutors students; maintains current and accurate attendance and grade records; remains current in applicable program teaching field; participates in faculty meetings, instructional seminars and in-service training sessions. Participates in University activities such as faculty and/or curriculum meetings, student functions, graduation exercises, open houses, new student orientations, and advisory board meetings. Engages in assessment of student learning outcomes activities.

Qualifications:

- Masters degree with appropriate coursework and/or credits in the subject area(s) taught.
- Must demonstrate prior training in instructional methodology and teaching skills from a formal teacher educational program or any comparable training program or formal in-house training program.
- Must have a minimum of one (1) year’s of teaching experience in the subject areas taught or demonstrate prior training in instructional methodology and teaching skills from a formal teacher educational program or any comparable training program or formal in-house training program.
- Faculty must be knowledgeable in course content, effective in directing and evaluating student learning and laboratory performance, and be prepared in educational theory and techniques.
- Experience with MS Office.

Your daily reward will be the personal satisfaction of having a chance to make a difference to yourself, your team, and to a group of students who expect an outstanding education.

Full-time associates are eligible for an exceptional benefits package which includes:

Health, dental and vision plan
Vacation, sick and holiday schedule
Tuition Reimbursement
401(k) Plan with employer match
Flexible Spending Account
Long/short term disability and more.

West Coast University is proud to be an equal opportunity employer, and we seek candidates who desire to work in and serve an ethnically-diverse population.
