Wichita State University

The Chemistry Department at Wichita State University invites applicants with expertise in mass spectrometry for a tenure-eligible position at the assistant professor level. Successful candidates will be expected to establish a vigorous externally funded research program centered on mass spectrometry and demonstrate a commitment to excellence in teaching and directing research involving undergraduate, MS, and PhD level students. Successful candidates will be expected to teach graduate courses in their area of expertise and to teach General Chemistry and upper-division undergraduate courses, with a preference for candidates who can contribute to undergraduate courses in Analytical Chemistry and Instrumental Methods. The successful candidate will have the opportunity, if appropriate, to interact and collaborate with university-wide initiatives in bioengineering, aerospace engineering, and climate change and renewable energy. A PhD or equivalent degree in chemistry or related field, postdoctoral experience, a strong record of scholarly achievement and experience in working with diverse populations are required. A generous package of start-up funds, state of the art research facilities, and competitive salary are available. Review of applications will begin October 20, 2013 and will continue until the position is filled. The following application materials should be submitted online at https://jobs.wichita.edu: letter of application, curriculum vitae including a list of publications, and a statement of teaching philosophy. In addition letters of recommendation from 3 individuals familiar with the applicant’s professional accomplishments and qualifications and a description of research plans with estimated start-up costs should be sent to Search Committee, Department of Chemistry, Wichita State University, Wichita, KS 67260-0051, or e-mailed to chemistry@wichita.edu. Additional information on this position, along with a full list of required and preferred qualifications is available at www.wichita.edu/chemistry. Offers of employment are contingent upon completion of a satisfactory criminal background check as required by Kansas Board of Regents policy. Wichita State University is an affirmative action/equal opportunity employer dedicated to creating a diverse community. Individuals from underrepresented groups are encouraged to apply.
