Tenure-Track Assistant Professor

The Department of Chemistry and Biochemistry at Florida State University seeks to fill a tenure-track faculty position at the Assistant Professor level beginning August 5, 2014. The Department is particularly interested in individuals with research interests in organic synthesis and/or chemical biology. Appointees will be expected to develop a vigorous, externally supported research program and to teach both undergraduate and graduate courses. Successful candidates will have a Ph.D. and postdoctoral training in a relevant field.

Application materials, including a cover letter, CV, research proposal, statement of teaching philosophy, and the names of at least three references, should be submitted online at http://facsearch.chem.fsu.edu. Review of applications will begin on November 1, 2013, and continue until the position is filled.

Florida State University is a Public Records Agency and an Equal Opportunity/Access/Affirmative Action Employer; minority candidates and women are especially encouraged to apply.
