Tenure Track Faculty Position in Physical Inorganic Chemistry Wesleyan University, Middletown CT

THE CHEMISTRY DEPARTMENT OF WESLEYAN UNIVERSITY invites applications for a tenure track faculty position beginning July 1, 2014 in physical inorganic chemistry with a focus on materials science. The successful candidate will exhibit potential for excellence in teaching at the undergraduate and graduate level and will be expected to establish an externally funded research program. The Chemistry Department has an active Ph. D. program involving 13 full-time and 1 part-time faculty and 35 graduate students and postdoctoral associates. Salary, fringe benefits, and start-up funds will be competitive. Candidates must apply at http://careers.wesleyan.edu/postings/4034 by submitting a curriculum vitae, a description of research plans, a statement of teaching philosophy and the email addresses of three referees who will be contacted for confidential letters of recommendation. Review of applications will begin on October 14, 2013 and will continue until the position is filled. Wesleyan University is an equal opportunity employer who welcomes applications from women and historically underrepresented minority groups. Inquiries regarding Title IX, Section 504, or any other non-discrimination policies should be directed to: Marina Melendez, PhD, Chief Diversity Officer, 860-685-2764
