DEPARTMENT OF CHEMISTRY AND BIOCHEMISTRY, LOYOLA UNIVERSITY CHICAGO. The Department of Chemistry and Biochemistry invites applications for a tenure track position at the Assistant Professor level in inorganic chemistry. Applicants from all areas of inorganic chemistry will be considered. A Ph.D. degree and postdoctoral experience in chemistry or in a closely related field are required. The successful candidate will be expected to maintain an internationally competitive, externally funded research program and participate in undergraduate- and graduate-level teaching. The Department offers PhD, MS, and ACS approved BS degrees. For more details about the department, visit http://www.luc.edu/chemistry. Candidates should complete an online application at www.careers.luc.edu, with a cover letter, a Curriculum Vitae, and a detailed description of research and teaching interests. Applicants should provide the names and email addresses of three individuals prepared to speak to their professional qualifications for this position. Review of applications will begin on November 15, 2013 and applications will be accepted until the position is filled. Underrepresented minorities and women are especially encouraged to apply. Loyola University Chicago is An Equal Opportunity/Affirmative Action Employer.
